

COOLANGATTA SURF LIFE SAVING CLUB

60TH ANNUAL REPORT AND FINANCIAL STATEMENTS

2017-2018

SPONSORS AND PARTNERS

We would sincerely like to thank all our sponsors and partners that have assisted Coolangatta SLSC to have such a successful year.

QUEENSLAND

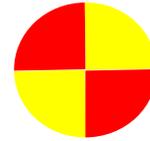

GRIFFITH STREET FAMILY DENTAL
Your Local Smile Professionals

The Coolangatta Surf Life Saving Club Inc. has been the recipient of several large donations from the Gold Coast City Council and the Queensland Government and indeed we are very grateful.

Club members have also had unwavering support from the Coolangatta Surf Life Saving Supporters Club from which their success has been crucial in consolidating the Club's financial position. We wish to offer our sincere appreciation to the Supporters Club for their continual outstanding efforts and the opportunities this provides the Club.

On behalf of all members please accept our thanks to everyone who has donated to the Club, both for their time and financial support.

Mission Statement

Coolangatta Surf Life Saving Club Inc, is committed to being a valued part of the local community by providing competent patrols on Coolangatta Beach, participating in community activities and providing excellent training and facilities for club members.

Statement of Business

Coolangatta Surf Life Saving Club is an incorporated association formed to promote Surf Safety along Coolangatta Beach. It does this by providing training, facilities and competitive opportunities for volunteer members. At the same time it is actively involved in the local tourist and hospitality industries participating in community events and the operation of the Supporters Club.

Values

Preservation of Life
Community Service
Team Work
Respect

Goals

Strong and Efficient Management
Community Leader in Training and Development
Thriving Membership and Member Services
Financially Secure and Well Marketed

Vale

The President and Committee Members of Coolangatta SLSC extend their condolences and deepest sympathy to the families and friends of departed members during the past season

Nyree Dilger
Andy Vaughan

VALE

FAREWELL NYREE DILGER (NEE RUSTICHELLI)

Nyree was born 13 July 1970 at the Mater Mothers Brisbane she was a daughter to Allan and Carol Rustichelli and sister to Brienne. Nyree was a clever child at school who participated in advanced learning programs, she was a talented clarinet player and a Venturer Scout. Nyree loved skiing and camping. She was very talented and good at everything she tried her hand at.

Nyree joined Coolangatta SLSC on 26/01/1990, She originally joined Coolum SLSC where she completed her Bronze Medallion in December 1986 but later transfer to Coolangatta as it was closer to home and choose Coolangatta SLSC because she had fond family memories of time spent at Tweed Heads camping as a child. Nyree loved that her father was a Surf Life Saver at Surfers Paradise and was so proud to have followed in his footsteps. It was through the Surf Club that she met Lloyd Dilger at the annual toad races in 1990. The Surf Club then set the scene for the rest of their lives together. In 1991, Lloyd proposed to Nyree and on 4th September 1993 the couple married at St Cuthberts Tweed Heads followed by the reception at their beloved surf club, Coolangatta.

Nyree was an efficient and dedicated lifesaver, who involved herself in all areas of club life from manning the radios at Gold Coast command between 1989 – 1992 (which was the Surf Life Saving radio call centre based at Miami at the time), to patrolling her beloved Coolangatta beach, she was a dedicated radio instructor and examiner and a fantastic team manager. She was also a great competitor and a talented beach sprinter in the early years. Nyree became secretary in 1990/91 and was awarded Best Committee Member and also completed over 100 patrol hours that season. In 1991/92 she was awarded Best Patrolling Member and in 1992/93 she became our first female Club Captain and then 1992/93 she was elected as the club Radio Officer.

Nyree continued to be a dedicated patrolling member until Teagan was born on 26 August 1996. Despite this Nyree still patrolled at Coolangatta with her newborn baby in tow. It took 3 years before Hayley arrived on 30 August 1999 and even the birth of her second child did not stop her from patrolling and contributing wherever she could to club life. In 1998/99 despite having 2 young kids in tow she still managed to find the time to be on the 40th Anniversary Committee and played an important role in organising the celebrations for this special milestone in the club's history.

When the time came Nyree supported the girls through Nippers and became an age manager in 2014. Teagan and Hayley are now third generation Surf Life Savers following in their Mum's footsteps, something that Nyree was extremely proud of. Nyree was really excited when the girls were chosen to participate in the Westpac helicopter performing mock rescues on Coolangatta beach in December 2016.

Seven years ago, Nyree was diagnosed with an aggressive breast cancer but she never let this stop her, she fought hard and proved the Doctors wrong again and again. Whilst fighting the ultimate fight for her life she was still just as committed to her beloved Coolangatta SLSC as ever. Even whilst undergoing chemotherapy and radiation therapy she continued to serve the club as a Nipper Age Manager, she still assisted with fundraising raffles and BBQ's and attended the annual Brisbane House to House Collection. When the club introduced the Bluebottles programme for kids with special needs Nyree became one of our most reliable volunteers driving down from Brisbane on a Saturday morning to assist with this program. She was a woman with a huge heart, and infectious laugh and a beautiful personality. It was a very sad day when on 13th January 2018 we learnt of the passing of Nyree.

Nyree was a loyal member of Coolangatta SLSC who gave freely of her time to the betterment of the club and Surf Life Saving as a whole. She was truly a dedicated member, Surf Life Saver and volunteer but most importantly she was a friend whom we miss dearly. Coolangatta SLSC is a better place for having had Nyree a part of it and we are lucky to have known you and privileged to call you our friend. Rest In Peace Nyree.

FAREWELL ANDY VAUGHN

It was with great sadness that we farewelled long time Coolangatta SLSC member and dear friend, Andy Vaughan during the past season.

Andy joined the Coolangatta SLSC in 2002 with his son Ryan in the Nippers. In 2004 he completed his Bronze Medallion and spent many hours patrolling Coolangatta Beach during the 2004/05 and 2005/06 seasons.

In 2010 Andy completed his ATV and Tractor Induction courses and this was to become his passion at the Club. He took on the role of Gear Steward for the Nippers, and he dedicated himself to this role. Andy was always first on the beach in his beloved tractor each Sunday morning, setting up for the Nippers and then last to leave, ensuring every piece of equipment was checked and packed away in its place. Andy continued to support the Nippers in his Gear Steward role, often with his son Ryan in the later years after he graduated from Nippers until ill health took hold and he was no longer able to sit in the tractor.

Andy spent many years volunteering his time to the club in the role of Gear Steward. He brought his exceptional mechanical and handyman skills to his role of Gear Steward, devoting his time to maintaining and repairing equipment. He was often spotted taking a few boards home, carrying out repairs to keep them available for the kids while saving the club many dollars. Andy was also dedicated to helping out with fundraising. He would often jump in when the rostered members were unavailable to cover their upstairs raffle duty, without fuss or seeking acknowledgement. He just did it because he knew it helped the club.

Andy loved a laugh and a drink with his mates. His favourite time was joining the boys upstairs and sharing a drink after a Sunday morning of Nippers. He will be remembered fondly as a dedicated friend to the Nippers and committed club member. He will be sorely missed.

Rest in Peace Andy.

MEMBERSHIP & AWARD STATISTICS

PRESIDENTS REPORT

I would personally like to say thank you to all of our dedicated members who again this season volunteered many hours of their own time patrolling our beach, participating in all forms of fundraising and generally helping out where needed around our Club. It was a difficult period during the Commonwealth games for all of us due to our club parameter being fenced off for nearly 3 months and not allowing access to patrolling or training equipment for most of this time.

Coolangatta SLSC can proudly boast again that there were no lives lost on our beach throughout the 2017/18 patrolling season. Our dedicated Lifesavers put in a massive 6,785 hours patrolling our beach. They completed 5 rescues, 2128 preventative actions, 278 First Aid Treatments and warned 2,128 people about possible dangers that helped to keep our beach safe. When you take into account we had 29,682 visitors on our beach these figures are very impressive

Total membership was slightly down this year with 406 overall members; however we are in the process of organising a strong membership drive for next season. We currently have a total of 13 patrolling groups with an average of 12 members each who looked after our beach this year.

Bronzies Day where we welcome our new Bronzies combined with our Annual Fallen Lifesavers Memorial day on the 6th May again turned out to be a fantastic event. Danny Hoyland once again led the way organising this event that was packed with many special guests that included Karen Andrews MLA-Federal Member for MacPherson, Michael Hart-State Member for Burleigh, Gail O'Neill-GCCC Councillor for Div. 14, Ian Levers-President QLD Police Union, Sen. Constable Cathy Nielsen, Sen. Constable Scott Hill, Mark Fife OAM-President SLSQ, Ken Hunter-President Point Danger Branch, Pat McCue-President South Coast Branch, Kerrie Barnes-Manager Point Danger Branch, Alan Bartlem-Coolangatta SLSC Chaplain and Ken Bostock-SLSQ Life Member. Special guest George Doniger-Patron North Kirra SLSC spoke to everyone about the famous shark attack rescue his father Joe Doniger performed at Kirra 80 years ago, a very brave man indeed.

At the conclusion of the formal cap presentations we remembered our own, the Fallen Lifesavers and family members who had passed away this season. A large number of our members fully dressed in their patrol uniforms along with our Distinguished Guests stood in line at the water's edge and watched on as our IRB's and the Westpac Lifesaver Helicopter placed wreaths at sea. This event was broadcast on all local TV channels and has certainly given Coolangatta SLSC a lot of fantastic positive publicity.

Belinda Doman Coolangatta's Chief Training Officer has again achieved some fantastic results for us with 25 Bronze Medallions, 28 ART, 36 ATV, 34 First Aid, 35 Radio, 34 CPR, 5 Beach Management, 36 Tractor, 10 SRC, 10 Observers, 5 Cert 11 upgrades, 20 IRBC and 7 IRBD awards completed. Thank you Belinda for everything you do and for the many hours you put in make this happen for Coolangatta SLSC. Also thank you to all of our in-house assessors and trainers who assisted with training, assessments and proficiencies throughout the year.

Thanks to Stuart and Christine Marshal for running the Bluebottles program again this year, also well done and thank you to all our Coolangatta Life Savers who assisted with water safety on these days. This very popular program is designed to help children and adults with special needs enjoy the beach and the surf under the safety and guidance of our Lifesavers.

Overall our Supporters Club is running very well under the guidance of new Manager Steve Edgar.

Thanks Steve, all of your staff and Supporters Club Committee for ensuring our Patrolling Members are given good quality food whilst on patrol. Every member very much appreciates it.

Unfortunately having the Commonwealth Games Volley Ball Stadium next door to us did not help our trading figures with numbers drastically down from previous years. I am sure Steve will make Coolangatta Supporters Club bigger and better in the months to come.

Finally thank you to all of my colleagues on the Management Committee for all the hard work and hours put in ensuring that our Club is being managed in the best possible way. Thank you to Phil Wyper as my Deputy President, your assistance and knowledge was very much appreciated. Thank you to Di Geddes our fantastic Office Administrator for all her help and assistance, I am sure that every Coolangatta member would agree that Di is forever helpful, polite and professional in her job. Thank you also to our Point Danger Branch officers and staff, to Kerrie Barnes and Ken Hunter for all your assistance throughout the year.

Garry Bell
Hon. President

VICE PRESIDENT - SPONSORSHIP & MARKETING

At the annual Bronzies day and Fallen Lifesavers Memorial day on Sunday 6th May 2018, we were privileged to have two special guests from the QPS join our gathering - Senior Constable Cath Nielsen and Senior Constable Scotty Hill, the two brave Police Officers who were involved in ambush gun fight at Gatton in May 2017, when their colleague Senior Constable Brett Forte was gunned down and lost his life due to the actions of a career criminal.

This is a quote from Cath Nielsen's speech on our special day: "The Coolangatta Surf Life Saving Club is significant in Queensland history and the red and yellow cap stands for so much which I hold dear – Australia, trust, responsibility, courage, and to me the most important – Mateship!"

Mateship is what Coolangatta SLSC is all about and we have so many good mates in this club that do all the heavy lifting to make the club operate and function from beach patrols, to fundraising, raffles, market BBQ's, Brisbane SOS collection, Cooly Rocks On, and Coolangatta Gold, you know who you are, you are the salt of the earth. We couldn't do without your loyalty, integrity, passion and dedication to duty.

And without our valued Sponsors we could not operate a successful emergency services operation. Thank you to our Hon. Patrons Noel & Sue Holmes absolute solid supporters, Chesterfield Australia Ryan Mulcaster SEQ Territory Manager who donated a brand new Tractor, Broncos RLFC, Event Cinemas and Birch, Carroll and Coyle - Kerry Moore Movie passes, 7 Eleven Peter K - Nippers Rashies, Woolworths The Strand - Catherine Wershing, Grill'd - Paul Milner, Earth n Sea, Amcal Chemist -Trudy Stevens, Time Zone – Stephen M Isaacs Nipper vouchers & Coolangatta Pie Shop Graham & Annie Walsh donated a set of oars.

Coolangatta SLSC Supporter's Club: Thank you to General Manager Steve Edgar and his ever efficient staff who have done a wonderful job this season especially during the 2018 Commonwealth Games which conducted the beach volleyball beside our clubhouse in Queen Elizabeth II park. The Supporter's staff are always friendly and greet our patrons with a big happy smile.

To "the make it happen" action workers: Greg Piper, Belinda Doman, Stuart & Christine Marshall, Mick Taylor & Naomi Currie, Mark & Janeen Nowlan, Sean & Tamara Smith, Hon. Secretary Marg Cargnoni and Club Captain Dion Ezzy. These members are always there when you need a helping hand. They give so much above & beyond the call of duty – exceptional community service.

To all the Members who give of their time at fundraising events our major fundraisers - Cooly Rocks On, Coolangatta Gold, Brisbane SOS Collection, Market BBQ's, surf carnivals, Nippers...you know who you are. You are unbelievable human beings, good decent people who care about your community, and give extraordinary service to our community. As usual there are those members who just use the club for their own benefit and never give back – to me, that's just not mateship!

Team Cooly: Many thanks to BOQ, Professionals Tweed and Cheryl Fenton a distinguished Dentist from Griffith Street Family Dental who donated the team uniform for the Coolangatta SLSC Representative Team. Believe it or not, Cheryl is one of our boaties.....a dentist in our boat crew....hum?

The annual Cooly Gold day is again a major success it gathers new and older members and past members to have a fun day playing golf at the Coolangatta Tweed Heads Golf club. Thank you to Life Members Geoff Hamlet and Jeff Best for organising this fun event.

Thank you to our Cooly Golf day Sponsors Honour Board:

McKern Accountants, Daily Press, & Shake it up Australia - Noel & Sue Holmes, Currumbin Constructions Formwork – Graham Church, Rainbow Bay Realty – Lenny Mclennan, Sullivan & Associates – Michael Sullivan, Stefan Hair Fashions- Steve Ackerie & Rose King, The Surf Club Coolangatta - General Manager Steve Edgar and staff, Coolangatta Surf Life Saving Club President Garry Bell & the Management Committee, BRANELL Homestead Laidley- Kathy and Troy Brady, Sunset Signs – Craig Best / Jeff Best, Drummond Golf Woolloongabba - Kevin Norrie, Drummond Golf Burleigh Heads West - Tony Wolsey, Our Touring Collection - Janet Fraser, Smile Street- Murwillumbah and Coolangatta - Ramesh Sivabalar, Queensland Road Surfaces Contracting - Mark Nolan.

Our 2017 -2018 Statistics: For all your magnificent efforts, it is important to put our volunteer work ethic into perspective:

6,784 patrol hours, 5 rescues, 223 First Aid cases, 2128 preventative actions, active patrolling members 185 (36.67 average hours per member), 13 patrol teams, 90 Nippers, total awards 779, patrolling awards 274, new Bronze recipients 25 and 10 SRC. It would be remiss of me if I didn't heap praise on our Chief Training Officer

Belinda Doman. Belinda is one of the best trainer assessors in this country, and she trains a competent Lifesaver with good skills sets.

Thank you to the Federal Government Karen Andrews MP, QLD Government Jann Stuckey MLA, GCCC Councillor Gail O'Neill, SLSQ, Point Danger Branch President Ken Hunter and Kerrie Barnes for your ongoing support. Karen, Jann and Gail join us at many of our major events and they genuinely take a sincere interest in our club.

I want to thank our Office Manager Di Geddes for helping me when I make requests at the last minute. Di does a difficult job within our club, and she gets called upon often to pick up the pieces. Thanks Di.

To my colleagues on the Management Committee, I thank you. We try to do our very best in the interests of our members and the Coolangatta SLSC, and the members.

I want to conclude my report with a quote from Senior Constable Scotty Hill:

A Lifesaver is defined as..." a person who rescues another from danger or death especially from drowning, but a Surf Lifesaver is so much more than that. It's about countless hours of training, physical strength, mental preparedness and importantly Mateship!

The definition of Mateship are the people that are prepared to jump in when you the going gets tough, it is the comrades that are there to pick you up, when you fall. It is the pat on the back, it is a lending hand, it is when you look over your shoulder and they are right there alongside you. Mates can be the difference between life and death.

Cath's and Scotty's words of wisdom say it all – Coolangatta SLSC and Surf Lifesaving is all about Mateship. Thanks you to my club mates for being there to help when we need a helping hand. Yep, that's what it's all about.

When it's hot in Brisbane, it's Coolangatta, Coolangatta for me oh yeah!

Danny P. Hoyland OAM
Vice President Sponsorship & Marketing

SECRETARY'S REPORT

Our 2017/2018 season has been an eventful and exciting one full of change and transformation within the Club as a whole.

I would like to thank Matthew Kirkham who kicked off the season as our Secretary and acknowledge the hard work and effort Matt contributed to the Club to get the season off to a roaring start and continues to do as a valued member of our Club.

This season as seen some fabulous efforts from all areas of our Club from pool events to beach and boats, inter branch and at the Aussies. It also saw our Club's members pull together during the Comm Games given the restrictions made on us during our patrolling season and the way in which we all pulled together to work as a team is a testament to our members that we can overcome any issues or obstacle that may present itself.

Recruitment wasn't as successful as we had hoped but we believe this was largely due to the website being out of date. We appointed Jan Hobson to update and manage this, and as you would have seen looks fabulous, and is now proving to be a valuable tool for all areas of the Club as well as our recruitment. We shall be focusing more on our recruitment in the coming season with targeted marketing plans in place, so keep any eye out for our member's incentives to share Cooly with a friend.

There was also a review of the Bylaws and the re-writing of meaningful position descriptions and a review of the sub committees which we believe will enhance our Club's operation. The Club's strategic plan is a document that the management team are using to guide our operations and this plan is reviewed and reported on monthly.

We are also excited about developing new plans for next season with a good mix of fundraising event and social event for our members to build Club spirit and culture. This will be driven through the reintroduction of a Summer Surf Girl, or as it will now be known the 2019 Summer Surf Program, with an organising committee that will work closely with the social committee to create some fun calendar of events that we can make an annual event.

As many of you would have noticed the Club's Committee has been working on building and strengthening our relationship with the Supporters Club Committee and collaborating on a number of areas within the Club to build a greater presence in the community. Although we are on a progressive path across a variety of areas, many opportunities still exist in addressing our weaknesses and I look forward to working with all our members to growing our Club and bringing in a more exciting season.

In closing I would like to acknowledge and thank all our members who continuously time and time again volunteer and give their time and invaluable knowledge across all aspects of the Club throughout the season. I would also like to thank our Committee Members for their support, guidance and patience in assisting me settling into my role as Secretary. Then there is Di in the office, having little to do with the administration side of the Club up until this season and seeing the amount of work she does to ensure the continual operation of the club has been a real eye opener. So, to all our members I would like to say thank you again and look forward to an exciting 18/19 season.

Margaret Cargnoni
Hon. Secretary
Coolangatta SLSC

TREASURER'S REPORT

This year we have seen an increase in total income for the year on par with the improvement on our end of year cash at bank at end of financial year from \$38,715.53 in 2017 to \$61,276.91. An overall increase of cash at bank \$22,561.38 and more importantly sitting within managements target of \$28,000 cash reserve.

This year we have seen the club focus on a variety of projects and investments in members, including;

- Increased social events at minimal cost to members
- Added fob access to the Office and Board / Ski entry door
- Upgraded the whole of club security system from analogue to digital
- Changed security monitoring company to make best use of system upgrades and prepare for the NBN
- Arranged install of Foxtel to the club premises
- Invested heavily in SLS awards and training material / equipment
- Caps / Broad brim hats for all patrolling members
- Rash shirts for all IRB drivers and crew
- Changed from Gmail to Office365 which has been well received and provides a range of features that we are in the process of working through to improved efficiencies.
- Insurances being financed through our brokers, ensuring stable and consistent cash flow throughout the entire season.
- Increased cash reserve has allowed us to purchase a new surf boat

Outside of this, the club is continuing to develop systems and procedures that complement our current operating standards to provide clear documentation, transparency and point of review to improve long term efficiencies as part of our regular ACNC audit process with SLSQ.

This year, we have seen a large adjustment to the asset register that has seen several items; some dating back to 1987, removed to ensure that the register is a close reflection of the premises and depreciable assets that the club holds.

We saw good results at major fund-raising events which is incredibly important as these funds raised are effectively the cash that the club has available to directly re-invest in members via training, equipment, accommodation and various functions / activities.

- Cooly Gold total profit including hosting fees payable from SLSA was \$12,621.38; \$1,887.52 being derived directly from the BBQ on both days.
- Surf Appeal only \$4,193 which was an increase on the previous year but we can achieve so much more this season. We have already secured Bunnings and this season we will be running the BBQ at the Cannon Hill Bunnings for the first time in our collection area. An increase of \$1,218 from last year
- Although after the end of financial year, the 2017 Cooly Rocks On festival also netted the club \$5,236.64. Unfortunately, the weather played its part and we saw a decrease in income of around 50% from last year with takings down from \$15,159 to \$8,424 this year.
- Our BBQ income is down from last year owing to a few BBQ's being missed through many factors including unfavourable weather. One of the main influences on the overall decrease in income at these BBQ's is the increase in competition from other food vendors within the market area.
- The club has now started to organise BBQ's at Bunnings to look to boost these figures and the last one held at South Tweed proved successful with a good range of members offering assistance during the day.
- Again, a great result from raffles bringing in over \$50,000

Over the past 12 months, we have seen the total of the renovation loan decrease by \$151,093; which is a great result.

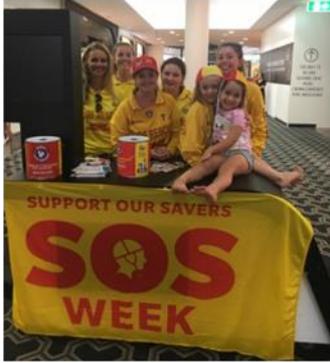

Big thanks to the supporter's club again for their continued support providing a total of \$584,493 of cash and in-kind contributions to the operation of the club.

Great work #teamcooly

Damian Ling
Hon. Treasurer

SUPPORT OUR SAVERS

DIRECTOR OF LIFESAVING REPORT

This season has been a challenging one for our members. The Commonwealth Games saw significant interruption to our beach patrolling, with all our patrol members dealing well with the changes that were made, including how and where our patrols were done. This shows the strengths of our club members towards change. We currently have 13 patrol groups that are all relatively strong. I would like to express my thanks to all of our

Patrol Captains for taking on a lead role and ensuring that patrols ran smoothly this season and thanks to all patrolling members for their support this year. Also a big thanks to The Star Gold Coast for the donation of a new rescue board this season through the Support our Savers Appeal.

Our Patrolling members completed 6,785 hours patrolling our beach. We completed 5 rescues, 278 First Aid Treatments, 2128 preventative actions, and warned 2,128 people, with 29,682 beach visitors this season. I am pleased to see that the number of rescues performed this season are down to only 5, this is a significant improvement on last season where we performed 33 rescues. This is due to a number of reasons partly due to more favourable surf conditions throughout the season but mostly due to our members being more proactive on patrol to reduce rescues. It has also been noted that patrol attendance has improved with far less no-shows on patrol which is pleasing to see. Well done everyone this is a massive achievement that is to be commended, keep up the great work and I look forward to a great 2018/2019 season.

COACH REPORT

2017/2018 has been a very busy season both in the competition arena as well as around the club especially with the Commonwealth Games being held on our doorstep.

Our club has been involved with many events this season including Coolangatta Gold, Fastest Man on Sand, Little Dudes carnival, Cooly Rocks and Surf Appeal. These events have been great building blocks giving many of our members an opportunity to broaden their involvement across the diverse activities in and around our club.

Our intense Bronze courses have been fundamental in growing our membership numbers with the bonus of providing good numbers for all patrol groups.

The Senior Squad has had some great success with fantastic results this season. It is satisfying to see some new faces working hard to develop their skills enabling them to move toward competition next year. Many good results were achieved in competition however even more pleasing is many personal goals were reached. Our numbers are steady and I look forward to bigger and better achievements in the future. State Titles were definitely a highlight for our boat crews and with a little luck we may see a few more crews around the club next year. We had only a small team and one crew venture to Perth for the Aussie Titles but as a first for our club every member returned with a medal. As usual competition was strong with the cream of the west challenging all the East coast athletes meaning many new results. All competitors raced to their potential proving perseverance and hard work does pay off. Our team members turned a few heads and created great team spirit showing a promising future. I look forward to building this rewarding environment into the next season in and around our club.

Learning the ropes around the club and upskilling is always beneficial to ensure better water safety and remember its about having fun together. Surf training helps to develop lifesaving skills to ensure we are fit and able to keep our beaches safe. Investing time in our own skills not only improves your lifesaving skills but opens many avenues within the surf lifesaving movement. Even if competition is not an avenue you wish to explore we also require water safety, IRB drivers/crew and also officials. Lots to get involved with as you increase your lifesaving network.

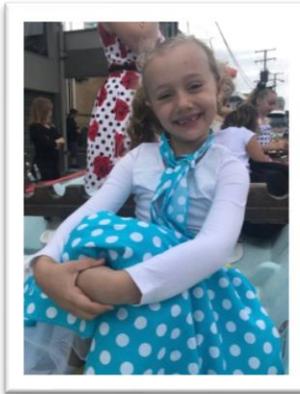

Thank you to our Management Committee for another very successful season. The great culture reflected by our committee establishes club spirit and growth. This is also being encouraged with new ideas from our Supporters Club to bring members together and involved in all aspects of the Coolangatta SLSC. Every member can participate in making our club a great place to be. Thank you all for your efforts toward driving our club forward. Remember..... don't ask "what my club can do for me but what can you do for your club"

See ya on the beach!

Rick Van Kampen
Head Coach

COOLY ROCKS ON

DIRECTOR OF SURF SPORT

POOL RESCUE 2017/18 - The season started with Pool Rescue and with our small team we achieved greatness. With State Champions in many events. Amy Lipponen winning GOLD in the 100m Manikin tow with fins in her first year completing with manikins. GOLD also to Rohan Scaysbrook in the 100m Manikin carry with fins, 50m Manikin carry & 100m Manikin tow with fins. Danyelle Lipponen 100m Manikin tow with fins. Rick Van Kampen 50m Manikin carry. SILVER to Susie Harker & Danyelle Lipponen in the Line Throw & Danyelle Lipponen in the 100m Manikin Carry with fins. Our nippers also did great with many being their first season. Pool Rescue is a great for fitness and fun. Come along and give it a go.

QLD INTERBRANCH TEAM - Coolangatta was fortunate enough to have 3 members selected in the Point Danger Interbranch team. This team is selected on results for the prior season and competes at the Interbranch Carnival against 3 other branches in Queensland. This season PDB came 3rd overall and 3rd in the Handicap score. Congratulations to Marleigh, Amy and Chloe.

QLD STATE ENDURANCE 2017/18 -To start off our Surf Season we had Qld State Endurance at Greenmount Beach. With the carnival on our beach we had some great results with some tuff conditions. Surf was big and messy but our competitors managed to compete well. GOLD going to Jane in the 2km surf swim, Rohan in the 4km Board Paddle, Nick F in the 2km Board Paddle & 4km Run, Billy R 2km Run & 2km Board Paddle. SILVER to Jess D 4km run, Danyelle 2km Board Paddle, Caroline 4km Run. BRONZE Susie Harker 2km Swim, Luis 4km Run, Bruce 1km Swim

COOLANGATTA GOLD – With the legendary Coolangatta Gold on our beach means our teams & members get to compete in front of a home crowd. With the format changed this year we stayed at Coolangatta and spectators were able to witness the entire race from the beach or in the grandstands which made for a great day. Once again we had 3 teams and one individual compete and they all did themselves proud with 2 of the teams coming away with medals.

PDB SENIOR BRANCH TITLES – Our branch championships was a less than ordinary day weather wise but our results make up for the lack of sunshine. Our branch champion with GOLD was Garry G-Board, Silver was Amy L-Surf race, Rohan S-Surf Ski, Rick V-Ironman, Bronze to Amy L- Ironwoman, Sam R-Surf race, Rick V-Surf race and the Open Board Relay with a Bronze for Gary, Sam & Rohan.

QLD STATE CHAMPIONSHIPS – We had a small team head up to the Sunshine Coast for State. Although small we competed well and everyone had a ball. Our Boat Crew did not disappoint and with their hard work and dedication the Shepherds came away with a BRONZE IN THE U23 EVENT. Amadeus 6th 2km beach run and Sam R 6th Belt Race. Masters also competed will with GOLD- Rohan Beach sprint, Nick F 2km Run, Rick V Surf Race. SILVER went to Garry G Board race, Rick V Ironman & Board, Paul (Ginger) Surf Race, The 240Y Surf Boat Crew won BRONZE as did the Surf team (Vince, Rohan, Rick), Beach Relay (Nick, Rohan, Rick)

AUSTRALIAN TITLES – We had great results at Aussies this season with it being in Perth the long haul and the conditions saw awesome results from the team. SILVER Board Rescue (Nick F, Rick V) & Board Relay (Gary G, Rick V, Nick F) in the teams. Individual SILVER to Nick F in the Board & BRONZE in the 2km run and the 240Y Magpies Boat Crew receiving BRONZE AUSSIE MEDAL from what I hear the race was awesome to watch.

Congratulations team on another amazing season.

Thank you to Coaches Rick Van Kampen (Senior), Wayne Flannigan (Nipper) and Sean Smith (Boat). A massive thank you to our Water safety volunteers, Officials and Age & Team Managers as without you our awesome Team Cooly could not achieve what they do and enjoy the great team ship and memories each and every season.

Danyelle Lipponen
Director of Surf Sports

Signing off for another season.

MEMBERS OF THE MONTH

July 2017 - Greg Piper

Greg does so much for the club that it's hard to put in words why he is our member of the month.

From fundraising and shopping to odd jobs, mobile services officer, looking after the tractor, ATV and Bus, gear Stewart, looking after all patrol gear, raffles and market bbqs, organising and supervising our Cooly Rocks on fundraiser and the list goes on. Greg is always around to lend a hand with any odd jobs around the club ...our go to Mr Fix It!

August 2017 – Tamara Smith

Tam is involved in so many areas of the club from assisting with fundraising at BBQ's, raffles and major events, to competing as a boatie and being a reliable patrolling member. She is also a publicity officer responsible for our regular newsletter and spent countless hours assisting to compile the annual report.

September 2017 - Craig Maidment

Well done to Craig. This member is one of our quiet achievers who just gets in and gets things done helping with nippers, BBQ's and fundraising events.

October 2017 - Rick Van Kampen

Rick goes above and beyond his role as head coach assisting with training Bronze/SRC groups, tirelessly helpful during Coolangatta Gold weekend, assists with all club fundraisers including Support our Savers, club raffles, market BBQ's and much more.

November 2017 – Sean Smith

Sean is our Boat Captain, a sweep and coach for most of our boat crews. He is a great motivator and can always be found around the club leading by example by doing fundraising, patrols, water safety, assisting in training IRB squads and doing odd jobs.

December 2017 - Jan Hobson

Jan is a quiet achiever. As well as doing patrols, fundraising and helping out where needed around the club, Jan has spent many hours behind the scenes getting the new website for the Surf Club up and running. Thank you for being an important part of #teamcooly and keeping our public profile up to date.

February 2018 – Jeff Best

Jeff is one of our Life Members who still actively patrols our beach over 50 years after completing his Bronze Medallion. Jeff always attends all club fundraising and major events and also supports the club and saves us lots of money through designing and producing signage through his family business Sunset signs.

April 2018 – Kevin Moloney

Kev is our gear steward for Nippers, he is the first one on the beach on a Sunday morning and the last one to leave once everything is cleaned and packed away properly. Kev does all this even though he doesn't have any kids in Nippers. He is also a dedicated patrolling member and loves helping at a BBQ.

May 2018 – John Fraser

John is a quiet achiever that just gets in and gets the job done, he helps where ever he can and has been a tremendous assistance to Di in the office with odd jobs during the week. John loves to patrol and has completed 68 hours on patrol this season and completed 100% patrol attendance.

June 2018 - Greg Piper

Greg received Member of the Month for the second time during the course of the season for the tremendous amount of work he does to assist the club with fundraising particularly coordinating market BBQ's and one of our biggest annual fundraising events the Cooly Rock on BBQ. Not only does Greg help us raise lots of money but he also saves us lots of money by doing a lot of the maintenance of our gear, equipment & building.

ANNUAL DINNER AND PRESENTATION NIGHT

CHIEF TRAINING OFFICER REPORT

The 2017/18 season has brought with it some challenges, but our members were still keen to develop their skills with 269 new patrolling awards being completed throughout the season. This is down on previous seasons, but the Commonwealth Games certainly affected our operations for 5 months of our season. A big congratulations to all members that have achieved new awards this season and welcome to our new Bronze and SRC members. Our main focus this season was to increase ATV & Tractor Inductions. We were lucky to receive a new tractor from Chesterfield and it is important that as many members as possible know how to operate and care for this equipment to ensure it is looked after and lasts. I must pass on a massive

thanks to Greg Piper for visiting each patrol to ensure that our members were trained to operate this new piece of equipment.

Our member recruitment drive was not as successful as the previous season and I believe this was largely due to out of date information on our website. Thanks to Jan Hobson who has the new website up and running now and is ensuring that the information on there remains relevant and current. We have been really lucky again this season to continue to recruit so many fantastic new members. We scheduled and conducted 4 bronze/ SRC squads this season (2 x one-week intensive programs and 2 x eight-week programs training every Sunday morning) which were all well attended. We trained a total of 25 new Bronzies and 10 new SRC's. Many of these new members are already proving to be a real asset to the Coolangatta family. We only conducted 1 IRB course during the season training 11 new crewies and 2 new drivers, we had planned to conduct another course in the back half of the season but restricted access to the club due to the Commonwealth Games made this impossible. We are looking to conduct another IRB course prior to the start of the 2018/19 season to continue to boost our patrolling strength in the IRB area.

The Bronzies day tradition has continued to grow and it was fantastic to see so many of our new Bronzies present on this day to receive their personalised cap from Senior Constable Cath Nielsen and Senior Constable Scott Hill. Well done Danny Hoyland on organising this special ceremony. The day was hugely successful with a strong attendance from our members as well as excellent media coverage received for the event with new stories on ABC, Channel 7, 9 and 10 and in the Gold Coast Bulletin. Bronzies Day and the Fallen Lifesaver ceremony is now a strong tradition at Coolangatta that members are proud to be a part of.

This season our members completed 90 Emergency Care awards, this high number is largely due to our ability to conduct these courses in-house at the club and therefore we don't have to rely on Branch conducted courses. Our Bronze program also incorporates First Aid and Advanced Resuscitation Techniques Certificate (ART) qualifications into the schedule so the majority of new Bronzies also hold these awards which is certainly helping with patrol rostering whilst giving members the opportunity to complete industry recognised qualifications. This season we saw 30 members complete or update their First Aid Certificate, 27 complete the new ART Certificate and 33 complete a Resuscitation Certificate.

A massive thanks to everyone that has assisted with training, my right-hand man and assistant Phillip 'Hammo' Hammond, you have been amazing as always and there to lend a hand wherever possible. Rick Van Kampen, I certainly could not have conducted 2 x one-week intensive Bronze squads without your assistance! To Damian Ling and Dion Ezzy your dedication to IRB training is greatly appreciated. To Garry Bell and Brad 'Bluey' Hartley for helping out whenever I asked, your support is really valued. Paul Teitzel, Jake Mercer and Sean 'Argo' Smith thanks for all your assistance with the IRB course, we can't run these courses without you guys willingly helping as drivers. To the large number of the members that helped with water safety, swimming with the bronze trainees or keeping an eye on my girls while I trained squads I can't thank you enough because without your support we certainly couldn't have achieved the great result we have this season. You know who you are because there are far too many of you to name. It has been a massive team effort and to all involved THANK YOU!

Proficiencies or Skills Maintenance seemed to run well this season running 4 proficiency dates and a catch up one just prior to the end of the year. There was a fairly even spread across the 4 main proficiency dates this season which certainly makes it easier on our assessors. A big thanks to Garry Bell, Hammo, Dion Ezzy, Ross Browning, Bluey and Kerry Rodgers for their assistance in making this such a smooth and efficient process for our members.

Congratulations to Margaret Cargnoni, Kyara Smith, Fianna Wilkinson and Jake Wickert for recently completing the skills trainer course, I look forward to mentoring you all and getting some brand-new trainers to help share the load. If anyone else is keen to assist with training I will be more than happy to have your assistance. Congratulations also to Damian Ling who has been a Probationary Assessor in IRB and Bronze Medallion this season and assisted with assessing these squads.

Thanks to the Commonwealth Bank who paid for us to buy 4 x QCPR upgrade kits for our training manikins these new manikins will enable us to give real time feedback to members on CPR effectiveness and will be a vital teaching tool that can be used not only for training new members but also during our Skills Maintenance Proficiencies.

I would like to thank the management committee for their ongoing support, we are a great team and have achieved some good results in what I would call a very challenging season for so many reasons, I have really enjoyed the opportunity to work with all of you and look forward to an even better season in 2018-19. To Di Geddes in the office thanks for all your assistance with course paperwork, communication with members and keeping a track of members wishing to do courses, I certainly couldn't do this role without your professional support. To Kerrie Barnes and the staff at branch and Rachael Clark, Tonya Pade, Courtney Taylor and all the SLSQ staff thanks for always being there to answer my many questions and assisting me in this role. It is great to know I have so much support! Finally, to all members your enthusiasm and dedication to Surf Life Saving and patrolling Coolangatta beach is to be commended, we are a great club and I am proud to be associated with such great people.

So, bring on the 2018/19 where our major focus will continue to be recruitment. That will mean lots more training, with the first Bronze squad scheduled to start in mid-August. If you know anyone that would like to complete their Bronze or SRC make sure you let them know, if you want to do any awards, please make sure you let me know and we can register your interest. If you would like to get involved in training or assist with water safety I would love to hear from you, we are starting to build a good team and the more the merrier. You will get so much satisfaction out of training other people and sharing your skills and knowledge!

Belinda Doman

Chief Training Officer

2018 SLSA LIFE MEMBERSHIP – DANIEL P HOYLAND OAM

Daniel Paul Hoyland joined Coolangatta Surf Life Saving Club in 1973 and completed his Bronze Medallion on 1st February that year. Danny was made a Life Member of Coolangatta SLSC in 1987, a Life Member of SLSQ in 1992, a Life Member of the Gold Coast Rescue Helicopter service in 1989 and this season Danny was honoured with Life Membership of SLSA. He is the first member of our club to ever receive such a high honour and we couldn't be prouder.

Coolangatta SLSC

He has held the position of Club President on two occasions from 1991- 94 & 2013 – 2015, was Chief Instructor 1975-1976, Club Captain 1977-81, Vice-Captain 1980-81, First Aid Officer 1972-1984, Deputy President 1988-89 and is currently Vice President – Sponsorship & Marketing a role he has held since 2015. He has sat on numerous committee over his 45 years at Coolangatta and has been awarded Best Club Member on four occasions in 1976/ 77/ 78/ 79. In Jan 2016, he completed his observers certificate and became proficient in a number of awards again because he wanted to be able to contribute to the club again as a patrolling member and loves getting down to his beloved Cooly on a Saturday afternoon and patrolling with the 'old boys' patrol when work commitments allow it. In his patrolling career on record he has completed over 700 patrol hours of beach patrols.

In his first term as Club President, Danny organised himself through media contacts a new club bus, and chased many sponsors including Jim Beam, Channel Seven. Danny is still heavily involved in sourcing sponsorships and funding for the club through various revenue streams.

Point Danger Branch

During 1975-1980 Danny held the position of Branch First Aid Officer. He was a Branch Vice President in 1991 – 1993 & 2015-2017 and also sat on the Board of Surf Life Saving.

Surf Life Saving Queensland

He was a representative on the State Board between 2004 – 2010 and also sat on the Honours & Awards Committee. His main involvement at a state level have been through the Helicopter rescue service where he was the Helicopter Officer from 1978 – 2004.

Helicopter Rescue Service

Danny was the first Crewman (with crewman Brian Boulton Coolangatta SLSC) to fly the first Surf Patrol on the Gold Coast in the then Wales HRS. He was an original crew member who served from 1976 to 1998.

He was the Qld Helicopter Officer (Aerial Services Officer) a role that encompassed the helicopter service on both the Sunshine and Gold Coasts. In this role he was actively involved in the recruitment, training, uniforming, public relations/media, crew selection, basic initial training and assisting with the design and testing of equipment.

After the "break up" in 1991, Danny with the assistance of Gary Terrell (Pt Lookout SLSC) investigated the logistics of setting up another HRS using a Bell Jet Ranger. Danny sourced out the aircraft and pilot on behalf of the CEO Jack Mac Master, recruited the crew, selected the "new" crew, trained them, and got the Service going again on the Gold Coast...with the assistance of Gary Terrell. Danny with the assistance of John O'Hara the original Crew Captain on the Sunshine Coast, had the initial talks with the guarantor of the Sunshine Coast Service Des Scanlan at his home at the Big Cow in 1979. These talks were about the crew, training, uniforming, etc.

Danny's devotion, commitment, dedication and loyalty to the SLSQ and both Helicopter Rescue Services is unsurpassed.... outstanding...he was passionate about the Association and the Service. In 2016/17 being the 40th year of the Helicopter service Danny was named Heli Legend #6 for his commitment to this service.

Fixed Wing Service

Danny was also the original Aerial Services Officer for the FIXED WING PLANE...VIGILANCE ONE-1991-1997. He flew the initial test flights in the aircraft with pilot Tom Ward and Garth Andrews. He assisted in the basic training, and the writing of some sections of the training manual. He holds the SLSQ Fixed Wing crewmember's certificate number one Q1.

Danny was always sourcing equipment for the Service...he wrote and personally presented the proposals to acquire a Pulseoximeter and Syringepump (Rubin Peleman), M.A.S.T suit (Stefan), and over the years has acquired through his media contacts like the concrete for the floor of the Sunshine Coast Helicopter hangar (\$11,000 worth), handheld radios and pagers (Link Telecommunications) wood/panels for the hangars, harnesses and safety survival equipment from the Safety Equipment section at the RAAF Base at Amberley, even the helmets serviced at no cost at the Air Force base, brand new television for the Gold Coast hangar.

Over the years, Danny has saved the Association thousands of dollars. He even personally approached and organised and designed the crew uniform in 1997. Danny developed a rapport with the KING GEE company and had the crew uniform specially designed for the crew including caps, tee shirts, sports shirts, socks, shorts and flying suits. It saved the Association at least \$15,000 per year...these uniforms were given to the crew, in Danny's mind, as a form of appreciation and thanks for dedicating their time and effort and "risk." He was always thinking of the crew.

Surf Life Saving Australia

Danny also held the position of National Aerial Services Officer (Australia) 1984-86 and 1990-1991 assisted with the writing and research of the National Training manual, visited Services around Australia (Sydney, Newcastle, Adelaide, Victoria) and completed inspections and proficiencies. Danny also attended the Australian Surf Life Saving Educational Tour and World Congress/Titles in Sydney 1976, Vancouver Canada 1986, Gold Coast 1988 and West Germany Lubeck 1990.

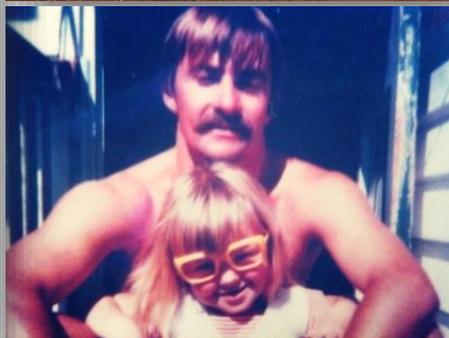

Other Honours

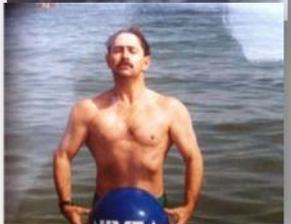

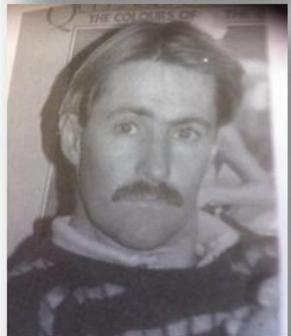

- Order of Australia Medal for services to Surf Life Saving 1992
- Order of St John Medal for services to humanity 1988
- Certificate of Merit - International Life Saving Federation August 1999

Danny's commitment and service to the Surf Life Saving movement have been exemplary. He has shown outstanding loyalty at all levels of the organisation. At one stage Danny was effetedly doing Club Captain, Branch First Aid Officer, State Helicopter Officer and National Aerial Services Officer all at once.

Congratulations Danny P Hoyland !

JUNIOR ACTIVITIES PRESIDENT REPORT - NIPPERS

This season has been a busy but highly successful one for our Nippers this year. We welcomed back lots of families and some wonderful new families have come into the fold. The family atmosphere at Cooly Nippers has continued to grow and prosper, with Sunday mornings being the highlight of the week for all.

I would like to thank the many volunteers who so generously give their time each and every Sunday to ensure our kids have fun while developing the knowledge and skills to keep them safe on the beach. Our Age Managers did a fine job of leading the learning of our kids on the sand and in the water this season: Matt Connolly, Belinda Doman, Elaine Harvey, Darren Swaney, Janeen Nowlan, Tracy Maidment, Jodie Smith, Marleigh Dreyer, Sam Rudland, Rob Betts, Adam Connor and Alan Cattanach. I have been grateful for the tireless support of the amazing committee members: Stuart Marshall (deputy JAC); Pania Conroy (Secretary); Christine Marshall (Registrar and Awards Officer), Damien Ling (Treasurer); Kevin McCarthy (Chief Water Safety); Craig Maidment & Mark Nowlan (BBQ Coordinators), Kevin Moloney & Mick Taylor (Gear Stewards) and Kylie Starling (Clothing Coordinator), all of whom have made my job easier during the season. The strength of our Nippers lies in the many members who support us, and in particular I would like to acknowledge the many volunteers who continue to contribute each week, despite no longer having children in Nippers. We are so much more successful because of the contribution of these amazing people.

During the past season we lost two club members who were loved and respected for their amazing contribution to the Nippers over many seasons. Nyree Dilger and Andy Vaughan will long be remembered and sorely missed, our sincere condolences go to their families and friends.

The competitive Nipper members have enjoyed much success this season, under the coaching and guidance of our Head Coach – Rick Van Kampen and Nipper Coach – Wayne Flanagan. Our small but dedicated band of competitors have trained hard, improved their skills and achieved some excellent results. Sincere thanks must go to our Director of Surf Sports, Danyelle Lipponen, who had coordinated all aspects of Nipper participation in carnivals leading up to and including Queensland State Titles in March. Without Danyelle's hard work and dedication, this would not be possible. Another vital contributor to our Nippers success is our wonderful band of officials, without them our kids would not be able to compete. Thank you to: Ralph Lipponen, Stuart Marshall, Kylie Starling, Beth Dwyer, Pania Conroy, Christine Marshall, Matthew Nuttall, Scott Hooper and Rick Van Kampen.

Our Nipper program is enhanced by our many generous sponsors. We thank our Vice President (Sponsorship) Danny Hoyland who has been instrumental in securing many sponsorships that assist with everything from providing our kids with reward for hard work to outfitting our state competitors to printing our Nipper Information Booklet. Thank you to: 7-11 Coolangatta; Grill'd Coolangatta; Earth n Sea Coolangatta; Summit Press & Printing, BOQ Eleanora and The Surf Club Coolangatta. Funds are also raised through our Nipper Raffles in the Supporters club each Sunday. We thank our fantastic Nippers and their families who take their turn each week to contribute to our fundraising efforts that keep our Nippers program. Thanks to SLSQ sponsor Breaka and your continued support of the Nipper program and in particular the Breaka Nipper of the week program. Acknowledgement must also go to Point Danger Branch and particularly Kerrie Barnes for her guidance and support throughout the season.

I have thoroughly enjoyed my role as JAC this season, and I am looking forward to an even better 2018/19 season. I am looking forward to welcoming new and old families and working with the new committee to ensure Cooly Nippers continue to grow and thrive.

Scott Hooper
Hon JAC

END OF YEAR BREAKUP & PRESENTATION DAY

The end of season breakup party brought us all together to celebrate the Season and to recognise the achievements of the Nippers and the support given by so many of our Volunteers.

Congratulations to the following Nippers:

AGE GROUP	MALE AGE CHAMPION	FEMALE AGE CHAMPION	MOST IMPROVED	CLUB SPIRIT

IRB CAPTAINS REPORT

A great season had by all, lots of new drivers and crews put through training with the help of Our 3 excellent trainers. This season also saw a new IRB added to the club, it has been 8 years since the club has had a new IRB.

Coolangatta's IRB team was well represented in the Queens Baton for the opening of the commonwealth Games. With the club having 4 IRBs we hope that next season brings more drivers and crewies to help us with water safety for carnivals and the patrolling of our great beach.

Dion Ezzy
IRB Captain

BRONZIES DAY & FALLEN LIFESAVERS MEMORIAL DAY

Coolangatta SLSC has been conducting Bronze's day and Fallen Lifesavers Memorial day for the past 5 seasons. This year we celebrated this special day in our club on SUNDAY 6th MAY 2018 commencing at 10am. It was a picture perfect Queensland day, with blue skies, the ocean a turquoise blue, and the sand as white as snow....it was typical Coolangatta beach - beautiful!

Bronze's day is a day Coolangatta SLSC invites a special guest to present the iconic red and yellow cap 25 new Bronze Medallion recipients, with their names, year of attainment and qualification number embroidered thereon. It is a tradition we copied from the Wallabies Rugby Union team and the Australian Cricket team, placing much significance on the famous Surf Lifesaving cap, and what it means to be a volunteer Surf Life Saver.

This year's special guests were Senior Constable Cath Nielsen and Senior Constable Scotty Hill who risked their lives to save their colleague Senior Constable Brett Forte in a shootout in Gatton in May 2017. Their actions to save a mate required raw courage, determination and bravery above and beyond the call of duty.

We also invited George Doniger Hon. Patron of North Kirra SLSC to talk about the raw courage of his Dad, who 80 years ago this season, swam out from the beach to two of his young lifesaving mates who were being attacked by a shark. When asked decades later why he swam out to risk his life he replied:... " that's what a Lifesaver does, that is their duty."

At the conclusion of the ceremony in the Supporter's Club, about 60 Surf Lifesavers dressed in uniform lined the foreshore mate beside mate, as the club IRB crews and the Westpac Lifesaver Helicopter laid wreaths at sea followed by a minute silence.

This day reminds all volunteer Surf Lifesavers, that when on beach patrol duty, they too may have to risk their lives to save another human being. It's about service to the community and the honour of wearing the world renowned Australian Lifesaver's cap.

Here are excerpts from the speeches of Senior Constables Cath Nielsen and Scotty Hill.

SCONST Scotty Hill: "Mateship, it is the people that are prepared to jump in when the going gets tough, it is the comrades that are there to pick you up when you fall, it is the pat on the back, it is the lending of a hand, it is when you look over your shoulder and they are right there alongside you. Mates can be the difference between life and death."

SCONST Cath Nielsen: "The red and yellow cap stands for so much which I hold dear - Australia, trust, responsibility, courage, and to me the most important thing- Mateship. I think above all, I truly value those who you know will have your back and stand beside you when you need it."

MCPHERSON AWARDS

Unselfish Service to the Community...

The McPherson Community Awards seek to acknowledge the positive contributions people make to our community. Mrs Karen Andrews MP the Federal Member for McPherson presents these awards each year to say thanks to deserving members who selflessly serve the community. Our club nominated these well deserving members who were presented with their special certificates.

COMMITTEE'S REPORT

Your committee members, being the responsible entities of the registered charity, submit the financial report of the Coolangatta Surf Life Saving Club Inc. for the financial year ended 30 April 2018.

COMMITTEE MEMBERS

The names of committee members throughout the year and at the date of this report are:

President - Garry Bell
Deputy President - Philip Wyper
Secretary - Matthew Kirkham (resigned October 2017); Margaret Cargnoni (appointed October 2017)
Treasurer – Damian Ling
Junior Activities Chairperson – Stuart Marshall (resigned July 2017); Scott Hooper (appointed July 2017)
Director of Surf Life Saving – Michael Bugden (resigned July 2017); Dion Ezzy (appointed July 2017)
Director Surf Sports - Danyelle Lipponen
Chief Training Officer – Belinda Doman
VP Building Committee – David Strotton (resigned July 2017); Stuart Marshall (appointed July 2017)
VP Sponsorship & Fundraising – Danny Hoyland
IRB/Safety Officer – Shane Ling (resigned July 2017); Dion Ezzy & Damien Lim (appointed July 2017)

PRINCIPAL ACTIVITIES

The principal activities of the association during the financial year were to promote, advance and control the work of Surf Life Saving and encourage members to realise their potential and athletic abilities through education and participation in surf life saving competition.

SIGNIFICANT CHANGES

No significant change in the nature of these activities occurred during the year.

OPERATING RESULTS

The deficit for the year amounted to \$147,766. (2017: \$1,369,299)

AUDITORS INDEPENDENCE DECLARATION

A copy of the Auditor's Independence Declaration as required under s.60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* is included in page 2 of this financial report and forms part of the Committee's Report.

Signed in accordance with a resolution of the Members of the Committee.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(b) Property, Plant and Equipment

Property, plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

(e) Cash & Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

COOLANGATTA SURF LIFE SAVING CLUB INC.
ABN 32 250 692 765

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(f) Trade and Other receivables

Trade and other receivables include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(g) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Fundraising, grant and donation income is recognised when the association takes control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax.

(h) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(i) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST is incurred is not recoverable from the Australian Tax Office. Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(j) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(k) Inventories

Inventories are measured at the lower of cost and net realisable value.

COOLANGATTA SURF LIFE SAVING CLUB INC.
ABN 32 250 692 765

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

(l) Economic dependence

The Association has incurred ongoing operating losses, and as at 30 April 2018, current liabilities exceed current assets by \$270,780 (2017: \$207,058). The Association receives donations each year from Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuation of these donations in order to maintain operations at the current level. As at reporting date, the Committee is of the opinion that these donations will continue in the foreseeable future.

(m) Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets.

Inventories

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

**STATEMENT BY MEMBERS OF THE COMMITTEE
FOR THE FINANCIAL YEAR ENDED 30 APRIL 2018**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 3 to 13:

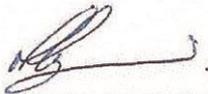

1. Presents a true and fair view of the financial position of Coolangatta Surf Life Saving Club Inc. as at 30 April 2018 and its performance for the year ended on that date in accordance with Division 60 of the *Australian Charities and Not for Profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*; and
2. At the date of this statement, there are reasonable grounds to believe that Coolangatta Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with resolution of the Committee and is signed for and on behalf of the Committee by:

.....
Committee Member

Damian James LING - Treasurer

.....
Committee Member

Margaret Cargnoni - Secretary

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.**

Opinion

We have audited the financial report of Coolangatta Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2018, the statement of profit or loss and other comprehensive income for the year ended, statement of changes in equity, statement of cash flows and notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2018 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter – Cash Receipts

The association processes cash receipts for membership, donations, raffles, apparel and BBQs. Our audit work addresses the risk of material misstatement of financial reporting with regard to the level of cash transactions and review of internal controls in this regard. Although our audit did not identify any significant reporting issues in this regard, the misappropriation of cash is an inherent risk to the association.

Other Matter – Going Concern

Without modifying our opinion, we draw attention to note 1(l) to the financial report. The Association's current liabilities exceed its current assets by \$270,780 (2017: \$207,058) as at reporting date. The Association receives donations each year from the Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuance of these donations to maintain operations at the current level. As at reporting date, the committee members are of the opinion that these donations will continue for the foreseeable future.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*. As a result, the financial report may not be suitable for another purpose.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

COOLANGATTA SURF LIFE SAVING CLUB INC.
ABN 32 250 692 765

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going Concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
